

Student Ambassador Program

The Student Ambassador Program at BDC is for students ages 11 and up, who have a strong desire to assist with the studio and embody what BDC is all about. Duties for ambassadors include but are not limited to: assisting in classes, being apart of studio photo shoots, gracing our social media platforms, sharing your love of dance and helping at various studio events, attending studio team events, volunteering alongside the educator team at BDC, etc.

A BandApp group will be made for BDC SA access where all events and opportunities will be shared.

This is an opportunity we expect dancers to take seriously and dancers should be contacting Miss Meagan with any questions and concerns.

The following are requirements of being a BDC SA:

- attend at least 3 studio team events (movie nights, team fun nights, sleepovers, etc.)
- be a leader amongst your peers and the younger dancers
- participate in as many studio-community initiatives as possible thoroughout the year
- be positive, sunny, and a true BDC'er in and out of the studio!

The following are perks of being a BDC SA:

- first access to student assistant teacher opportunities
- an unlimited 15% off discount in the BDC retail store (excludes custom orders)
- features on social media and bravodanceco.com
- the skills and qualities gained with the added responsibility and role that are transferable to all areas of your lives!

If you are ready to be a role model, to make a difference, and be a Student Ambassador for BDC, sign below and get ready!!

Lots of Love, Miss Meagan
